GROOMING SALON RELEASE

We appreciate you reviewing our Grooming Salon Release Form thoroughly. You are entitled to a copy of your own; if you would like one please advise grooming salon and a copy will be made for you by pickup.

Your pet is very important to us. All of us at Pampered Paws would like to assure you that every effort will be made to make your pet's grooming experience as safe, relaxing and pleasant as possible. Safety comes first for everyone, people as well as the animals, during the grooming process.

HEALTH OR MEDICAL PROBLEMS

Occasionally, grooming can expose a hidden medical problem or aggravate a current one. This can occur during or after grooming. All medical expenses for veterinary care will be covered by the pet's owner upon signing this contract/ agreement.

ACCIDENTS

Although accidents are very rare, there is a risk when dealing with animals. Grooming equipment is sharp, and although we use extreme caution and care in all situations, possible problems could occur including cuts, nicks, scratches, quicking of nails, etc. In most cases this can happen when an animal is wiggling or moving around. Your pet's safety and comfort is our number one priority. In the event an accident does occur, you will be notified of the accident. If our grooming staff feels it is serious, and the owner is not on-site or readily available, we will seek immediate veterinary care for your pet with our vet at Towne

Center Animal Hospital.

FLEAS/TICKS

Pampered Paws strives to be a flea-free salon. If fleas are discovered on your pet they will be given a flea bath at your expense of \$10 - \$20 per capstar (depending on size of dog). Ticks discovered during grooming will be removed and you will be notified if any are found.

Pet Owner's Initials: _____

DANGEROUS OR AGGRESSIVE ANIMALS-REFUSAL OF SERVICES

Pampered Paws has the right to refuse any services at any time. In the event that your pet is too stressed or becomes dangerous to groom, Pampered Paws has the right to refuse grooming services, stop grooming services, or cancel grooming services at any time before, during, or after grooming and client will be charged a grooming fee (for what was done up until that point).

Pet Owner's Initials: _____

USE OF MUZZLES

Muzzling does not harm your pet and protects both the pet and the groomer. In some cases, muzzling may even calm a stressed animal, allowing the grooming process to continue. If your pet still acts in a way that is dangerous, Pampered Paws has the right to stop grooming services at any time and a service fee will be collected. We do not muzzle unless your pet gives us a reason to. Other methods are used to calm your pet, muzzling is a last resort.

INTERRUPTIONS DURING GROOMING SERVICES

For the safety of the animals being groomed, as well as the professional pet groomer, it is asked that you do not interrupt the groomer during grooming. Every effort will be made to insure your pet is groomed as safely as possible, but an excited pet can be dangerous to continue to work on. After dropping your pet off, please do not stop back in the shop until you have received a text message or phone call from us that your pet is ready. If you have any questions after drop off, please call us.

MATTED COATS

Animals with severely matted coats require extra attention. Mats in an animal's coat grow tight, and can ultimately damage and tear the animal's skin, which provides a breeding ground for parasite infestations. Pampered Paws will not cause serious or undue stress to your pet by dematting. Mats can be very difficult to remove, and may require the pet to be shaved. Removing a heavily matted coat can cause nicks, cuts or abrasions due to skin growths trapped in the mats. Heavy matting can also trap moisture and urine near the pet's skin allowing mold, fungus or bacteria to grow, producing skin irritations that existed prior to the grooming process. After-effects of mat removal procedures can include itchiness, hematomas, skin redness, self-inflicted irritations or abrasions and failure of the hair to regrow. In some cases, pets may also exhibit brief behavioral changes. Prevention is the best defense by scheduling regular grooming appointments, every 4-6 weeks. If your pet needs to be shaved to remove matting, by signing below, you acknowledge that you agree to this procedure, and any risk. There will be an additional charge for this process: it is time consuming, and causes extra wear and tear on grooming equipment. We are happy to direct you to more information about mats.
